

LAWYERS PROFESSIONAL LIABILITY

Two Products: Same Exceptional Coverage, Same Exceptional Service

Allied World is a long standing market with the expertise needed to understand and underwrite each law firm on its own merits. We offer both admitted and surplus lines products so we can service firms whether they fit the box of standard, admitted markets or not. Law firms can transition seamlessly between the two products without losing continuity. Both products feature our broad coverage form, value-added services and financial strength.

ALLIED WORLD LPL ASSURESM and ALLIED WORLD LPL ASSURESM E&S: BROAD APPETITE AND FLEXIBILITY FOR TODAY'S LAW FIRMS

We insure law firms with 3-100 attorneys. Firms that don't fit our admitted LPL Assure product due to practice areas, claims history or excess placements are considered for our LPL Assure E&S surplus lines product. We understand and underwrite each firm on its own merits and have great flexibility to place business with the program that best fits client needs and risk exposure.
